Asha Jasti, the Executive Director of SUN, stands as a beacon of visionary leadership and exemplary dedication. Her active, meticulous, and resourceful approach has been instrumental in revolutionizing quality education across the two Telugu states. As a pioneer in blending academic excellence with modern educational practices, her impact is profound and far-reaching.

With a Master's degree in Business Administration from Andhra University and a wealth of experience in managing and monitoring, Asha Jasti embodies a rare combination of academic rigor and practical expertise. Her strategic vision and innovative thinking have propelled SUN to new heights, transforming it from a bold startup in 2004 to a preeminent institution recognized for excellence.

She is a dynamic businesswoman and an insightful thinker, whose leadership style is marked by creativity, precision, and a deep commitment to excellence. Asha Jasti is a skilled administrator and a sound decision-maker, providing the organization with clear direction and fostering a culture of continuous improvement and innovation.

Under her leadership, SUN has achieved remarkable milestones. Her responsibilities include the comprehensive oversight of SUN's diverse departments, ensuring seamless managerial synchronization and operational coherence. Her unwavering commitment to excellence and ability to inspire and lead have been pivotal in driving SUN's mission to deliver superior education and foster holistic development.

Her dedication to nurturing talent and her vision for integrating modern practices with education make Asha Jasti an unparalleled leader in the educational sector. She continues to inspire and lead SUN with passion, making a lasting impact on the institution and its community.

Asha Jasti
Executive Director

Chairman' Message

WELCOME

Dear Parent

It is with great pleasure that I welcome you to Sun International Institute. SUN has established itself as a beacon of excellence in education and training, dedicated to ensuring our students achieve outstanding academic and career success. Our legacy of professionalism is reflected in the numerous accolades and accomplishments we have garnered in both academics and extracurricular activities.

Being a leader of SUN institutions, I emphasize the significance of exceptional teaching and comprehensive student support. We are committed to fostering a nurturing and dynamic environment where every student can thrive. At SUN, you are joining a family that guides you beyond traditional education, helping you reach new heights and achieve your fullest potential.

Our diverse programs are designed to equip students with the skills, knowledge, and experiences necessary to excel in a rapidly evolving world. From state-of-the-art facilities to a vibrant campus life, SUN offers an unparalleled educational experience that prepares students for global opportunities.

We invite you to explore the boundless opportunities and transformative experiences that await you at Sun International Institute. Join us and be part of a community that values excellence, innovation, and a lifelong commitment to learning.

Srikanth Jasti
CMD

STAND OUT FROM THE CROWD You
won't be 'just a number' at Sun.

Issac Sudhakar
Chief Operating Officer

We want to inspire you to become a truly creative professional, and guide you towards an exciting and rewarding career.

We are very proud of our students and are committed to supporting their development through high-quality academic provision.

With 25 years of expertise in the hospitality and educational fields, Mr. Isaac Sudhakar is a seasoned academic administrator. From curriculum designing to industrial relationships and placements, he has played a significant role in structuring the academic landscape.

In academics, he has executed a number of leading roles. His skill in creating thorough academic calendars that provides students a defined route to graduation is well known. His knowledge in academic administration has enabled him to build trusting iconnections with influential business and regulatory agencies, leading to multiple collaborations that gives students useful practical experience. Hundreds of students have been successfully placed by him in prestigious domestic and international companies.

Both faculty members and students hold Mr. Sudhakar in the highest regard as a mentor and advisor.

20
YEARS OF EXCELLENCE

AS SUN EMBARKS ON ITS JOURNEY OF 20 YEARS OF EXCELLENCE IN EDUCATION, CELEBRATING TWO DECADES OF PROMOTING LITERACY, CRITICAL THINKING, HUMANISTIC AND SCIENTIFIC INQUIRY, LEADERSHIP, PHILANTHROPY, AND THE CONTINUOUS CYCLE OF LEARNING.

S

Start with curiosity.

U

Uncover shared passions.

N

Nurture genuine connections.

We are Growing Year by Year

This year marks the 23th anniversary of SUN and we have many reasons to celebrate. What began as an academic start-up is now an International Institution with a distinctly multilingual and interdisciplinary character. This stands as the perfect moment to thank students, graduates, staff and all our partners, friends and supporters.

During these 23 years, we have remained honest to our vision as a globally connected institution, advancing influential knowledge and leadership through transformative teaching.

The future brings with it exciting challenges for SUN and we would like to take our 23rd Anniversary as an opportunity to reflect on our achievements, thank our supporters and show our commitment to keep working together for the years to come.

We are determined to continue improving our academic curriculum to address the upcoming social, environmental and technological challenges, which the future has in store.

PEACOCK FEATHERS AWARD for Excellence in education for the year 2018

Achieved Most Prestigious TV 5 Business Leader 2015

Best Hotel Management Institution

The institute stands as the front runner in all academic ventures. The mission of SUN is "ENRICHMENT". The institute lays down emphasis on discipline and quality.

SUN as an Institution and its students have received many prestigious and coveted awards in various national and international forums. Below are some of the top awards received. Considering SUN as a fast emerging brand in the segment of education, the award was implemented to honor the impressive progress made by the institute since its inception.

SUN

Hyderabad

THE GLOBAL CITY

The state capital of Telangana is Hyderabad. With an estimated 8 million residents, the city ranks fourth in terms of population in India. The metropolitan area's population is projected to be above 9 million. The city has experienced a rapid growth, demanding a spurt in skill and expertise.

With a visionary objective Sun claimed success in fostering the needs of progressing times establishing 3 campuses at Ramnagar, Miyapur and Ameerpet .

SUN

Visakhapatnam

THE CITY OF DESTINY

Visakhapatnam is a historic town with roots in the Buddhist era. It's tranquil, gorgeous beaches and verdant slopes have made it a popular tourist destination. The city has a distinct atmosphere because of the Eastern ghats and the Bay of Bengal on opposite sides.

Vizag has developed into a hub for higher education in the Eastern region of India, drawing students from all over the globe. Sun rose to the expectations of this emerging city. Our profound campuses at Dwarkanagar and Sagar Nagar has taken Hotel Management and Tourism Education for a swirl.

MBA

Master of Business Administration

Duration : 2 Years

Eligibility : Any Degree

Traditional Master of Business Administration program was just classroom teaching and very limited to the industry requirement. As change becomes constant in every sector of business nationally and Internationally, one should not confine only to classroom sessions.

This program blends industry exposure with academic knowledge. In this program students need to undergo In-house training, on the job training and Industrial training. After completion of the program a student will transform himself in terms of knowledge, skill and behavior to become a successful manager.

An International Tour to Singapore, Malaysia is an added advantage for the students pursuing this course.
